Saft: 2009 Annual Report (Registration Document)

Paris, March 15th, 2010 – The Saft 2009 Annual Report (Registration Document) was filed with the French Financial Markets Authority (AMF) on February 24, 2010 under n°R.10-010.

This Document is available in French and English on the Group's website www.saftbatteries.com, Investor Centre section.

Copies of the Annual Report are also available at the Company's head office.

About Saft

Saft (Euronext: Saft) is a world specialist in the design and manufacture of high-tech batteries for industry. Saft batteries are used in high performance applications, such as industrial infrastructure and processes, transportation, space and defence. Saft is the world's leading manufacturer of nickel batteries for industrial applications and of primary lithium batteries for a wide range of end markets. The group is also the European leader for specialised advanced technologies for the defence and space industries and world leader in lithium-ion satellite batteries. Saft is also delivering its lithium-ion technology to the emerging applications of clean vehicles and renewable energy storage. With approximately 4,000 employees worldwide, Saft is present in 18 countries. Its 15 manufacturing sites and extensive sales network enable the group to serve its customers worldwide. Saft is listed in the SBF 120 index on the Paris Stock Market.
